## Individual Plans – Payment Rules

Your account will be drafted on or around the 16th of the month. If you enroll on the plan after the 15th of the month, two (2) month's premiums will be drafted from your account on or around the 16th of the following month to include the previous month and the current month's premiums. Thereafter, you will only be drafted for one month's premiums on or around the 16th of the month.

## Waiving Waiting Periods

**New Policy**
Basic, Major and Orthodontic waiting periods may be waived for the number of comparable months effective (max 12 months) with the prior carrier when a letter of creditable coverage and summary of benefits for the prior carrier are received and reviewed within 30 days of enrollment.

**Take-over Benefits**
Waiting Periods Waived For Prior Comparable Coverage:
If you were previously covered under a different dental plan with comparable coverage, you may be eligible for takeover credit under this plan at an additional cost. You are eligible for takeover credit if you have had less than a 30-day break in coverage (meaning, your prior plan's termination date is within 30 days of your effective date under this plan), whereby up to 12 months of the time you were covered under your prior plan will be applied to the graded benefit features of this plan. As a result, you could enter the plan at a higher coverage level for benefit categories that grade up over time (like Basic and Major Services).

To qualify for this takeover feature, you must provide an evidence of coverage letter from your prior carrier. The letter must include the termination date of your coverage and a summary of the prior plan's benefits that illustrates prior comparable coverage. The takeover feature is available for a 35% increase to the base rate (before applying factors). The letter and the additional premium must be submitted with your application. Applications with takeover requests may not be submitted online.

**Existing Policy**
Waiting periods may be waived based on continuous coverage if a subscriber passes away and dependents move to a new policy; divorce; gain in coverage; or plan change at renewal.

Orthodontic waiting periods may be waived on a case-by-case basis.

## Child-Only Plans

Child-only plans must include an adult Guardian. The Guardian information must be completed in full on the enrollment form with the child listed as a dependent. By selecting the Child-only plan option, we will draft premium for the covered child(ren) based on the payment rules. All correspondence and billing will be directed to the Guardian.

## Teeth Whitening

In-office cosmetic teeth whitening is an included benefit for adults and children 16 and older. The plan will pay up to $100 once every 24 months. Retail over-the-counter (OTC) kits are not included.
